Trade Show Shipping Tips

Below are tips that will help better facilitate the handling of your Trade Show shipments.

- Ship all materials as early as possible, preferably to the advanced receiving warehouse if available.
- Complete all sections of the Bill of Lading (BOL). Indicate proper description of all pieces on the BOL; include dimensions, color, and other significant identifying marks.
- Label all individual pieces, even if all fit a single pallet. **Remove all old labels from crates and boxes.**
- Use nondescript packaging for valuables to help ensure the security of the shipment once delivered to the Trade Show location.
- Place a business card inside each container – just in case a label gets torn.
- Be aware of any materials that may be classified as hazardous – such as aerosol sprays, solid or liquid chemicals, paint. Describe all items clearly on the BOL. Call our safety hotline with hazardous materials questions – 800-395-5446.
